Did you know you may be able to get assistance with out of hours child-care. For more information please visit [www.gov.uk](http://www.gov.uk).

#### **WATER BOTTLES**

Can parents please ensure that their child brings a water bottle to school every day. It is a scientific fact that children who are well hydrated have a higher concentration level. Water bottles can be topped up over the day using the school's drinking water taps. Please do not allow children to bring 'juice' to school in their drinking water bottles.

**SOCIETY FOR THE PROMOTION OF ROMAN STUDIES** We would just like to thank members of the Society for the Promotion of Roman Studies in London, who have recently agreed to provide the school with a grant of £100 to purchase a 'Roman Archaeology Kit'. This kit will help with children's studies and project work.
