5th July 2018

Dear Parents

Year 6 Residential : Whitby

We are in the process of planning next year's residential visits for children in Key Stage 2! By way of information a booking has been secured for children in Year 6 next academic year, to take part in a 4 night, 5 day residential to Whitby from Monday 24th to Friday 28th June 2019.

This residential will be an ideal opportunity for children to take part in a number of adventurous and challenging activities; it will also be their last chance to take part in a visit alongside children in their year group at Bentham Community Primary School, before they move onto the next phase of their educational journey.

It is anticipated that the cost of the residential will be *approximately* £250.00 (non-refundable), this to include accommodation, food, activities, transport and a 'Leaver's Hoodie'. In order to help parents budget towards this expenditure, the payment for the residential is now 'live' on Parentpay. Parents can make minimum balance reducing payments of £25.00 towards the full cost, the full balance being due by no later than **Monday 30th April 2019**. Unfortunately, if payment is not received in full then children will not be able to take part in this residential. If you have any concerns, or will not be able to meet the cost of the visit by the due date, then please contact Mrs Pearson with a view to being able to secure an alternative source of funding.

A parents' information meeting has been scheduled to take place during November 2018 with a view to providing parents with additional details about this residential, including a kit list.

Naturally, if you have any queries about the above, please do not hesitate to contact the school.

Yours sincerely

Mrs C Pearson
