

Big Dig is back!

Come and join us on **Thursday 17th May** afterschool for our next Big Dig.

We made great progress last year with our outdoor areas but there is more to do. Children from all classes have been enjoying using the wildlife and food garden in their lessons but we have some jobs to do to make it even better.

3.30 – 5.30pm (stay as long as you like)

Hot Dogs and Drinks will be provided

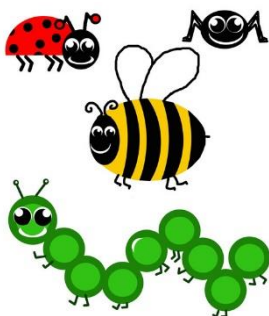

Jobs for children and adults – bring your gardening gloves, wellies and spades

Some trickier jobs also need doing, can you help:

Build a compost bin out of wooden pallets – we have the pallets, just not the skills and tools to make it!

Do you have any wooden logs that are maybe rotting away? We would really like some more to add to our wood pile to encourage insects to live there. Any size and shape will be great.

Do you have any of the following items you can donate to help add to our bug hotel:

Hollow bamboo canes

Pine cones

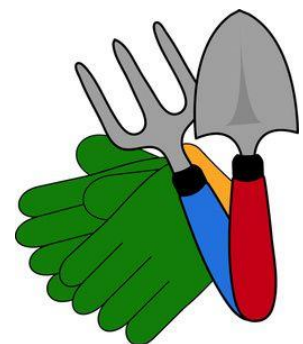

Bark

Bricks with holes in

Old roofing tiles

Old terracotta pots

Moss

Look forward to seeing you all!
