

PRIMARY PE AND SPORT PREMIUM REPORT 2024 – 2025

Primary PE and Sport Premium Awarded	
Total Number of Pupils on Roll	120 (Year 1 – Year 6)
Value of PPSPG	£17,200
Summary of PPSP	
<p>Primary PE and Sport Premium is an amount of ring-fenced funding which the government has agreed to allocate to schools. The funding amount received by schools is based upon the number of children of primary age at the school. The PE and Sport Premium must be used to fund additional and sustainable improvements to the provision of PE and Sport. The PE and Sport Premium should develop or add to the PE and sport activities that the school already offers and should build capacity and capability with the school to ensure that improvements made now will benefit pupils joining the school in future years.</p> <p>There are 5 key indicators that schools should expect to see improvement across:</p> <ul style="list-style-type: none">• increased confidence, knowledge and skills of all staff in teaching PE and sport• the engagement of all pupils in regular physical activity• the profile of PE and sport is raised across the school as a tool for whole-school improvement• broader experience of a range of sports and activities offered to all pupils• increased participation in competitive sport <p>At Bentham Primary School, Claire Pearson (Headteacher) is the P.E. and Sport Leader with responsibility for developing sport and effective use of the PE and Sport Premium Funding together with our whole staff team and governing body. Our school already has a good reputation for our PE and Sport as we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. We welcome the additional funding, which will further enhance our provision and provide additional opportunities for increased participation.</p> <p>The Governors will be kept up to date with how the PE and Sport Premium is being used in school and its impact. The school has a Sports Premium Link Governor. The impact of the PE and Sport Premium will be evaluated through staff and pupil voice as well as through an analysis of the uptake of activities and interest in sports. A log of events and activities will be kept on a PE board in school as well as updates on the school Facebook page and in the Friday Newsletter to parents. The children will also be involved in decisions regarding the use of the PE and Sport Premium through the school council and sports leaders.</p>	

We are fortunate to have purpose built school grounds. Forest schools is becoming a growing part of our school curriculum and there is a desire to build on this in 2024-2025. Alongside this, is the plan to extend the provision of outdoor learning for all year groups to experience the outdoor environment and use this as a tool to improve children's academic achievements, in line with the Pupil Premium Strategy. A series of OAA days are planned using the local area to get children active in alternative physical activities such as climbing, caving and hill walking.

From 2017-2018 onwards, there has been a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations. We place a significant important on the teaching of swimming. Fewer families take their children to the swimming pool, due to the distance and cost involved. Our children do not have easy access to the public swimming pools and due to socio-economic disadvantage may families are not able to afford swimming lessons or attend public swimming sessions. Many of our children live and play close to rivers and streams and therefore we place the teaching of swimming very highly in our PE Long Term Plan. Children take part in ten, 1 hour swimming lessons each year from Year 4 to Year 6 with all children taught by fully qualified swimming teachers. Previously, we have used the Primary PE and Sport Premium to provide additional provision for swimming, this has enabled children to progress *beyond* the national curriculum requirements and we will continue with this during the academic year.

Key achievements to date:	Areas for further improvement:
<ul style="list-style-type: none"> • All children taking part at a least 2 hours of PE per week. • All children in Year 4-6 take part in school swimming. • PE enrichment days each term. • Year 4 and 5 Outdoor and Adventurous Activities residential trip biannually. • Forest school introduced and becoming embedded. • OAA days for some year groups. • Participation in cluster competitive and non-competitive sporting events. 	<ul style="list-style-type: none"> • PE CPD for all staff, including making accurate and informed assessment of children's skills. • Embed Forest Schools provision. • Further develop OAA days each term. • Development of new PE lead to become confident in the role. • Employ P.E. competition co-ordinator across the cluster. • 30 minutes of physical activity for all children through active playtimes with sport leaders. • Increase participation in extra-curricular PE.

Meeting national curriculum requirements for swimming and water safety (Year 6 2023-2024)		Please complete all of the below:
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	100%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes to enable us to achieve the above 100%	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	

****The Evidence/Impact column and Sustainability/Next steps column will be completed at the end of a particular project and/or at the end of the year when the provision is evaluated.**

Record and Impact of PPSP spending by item/project 2024 – 2025

Intention Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Implementation Make sure your actions to achieve are linked to your intentions:	Funding Allocated:	Impact Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Key Indicator 1:	Increased confidence, knowledge and skills of all staff in teaching PE and sport.			% of total allocation used: £8800 51%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding Allocated:	Evidence and Impact:	Sustainability and suggested next steps:
Employ a specialist PE teacher to deliver PE alongside existing staff ensuring excellent teaching and	Identify staff (teachers and teaching assistants) to teach alongside specialist PE teacher.	£3240		

<p><i>learning whilst supporting and mentoring school staff</i> in developing subject specific knowledge and skills – focus on teaching assistants as well as teachers.</p> <p>PE Subject Leader to access CPD to develop the leadership of this aspect of the curriculum.</p> <p>Purchase PE Scheme of Learning and Associated Resources to aid the development of PE teaching and learning across school.</p> <p>Investment in PE equipment for staff to use.</p>	<p>EY Staff to take part in gymnastics training alongside Ambitions Gymnastics. Team teaching to ensure confidence and skills both develop and grow.</p> <p>Ensure effective cover can be provided to release teaching and support staff to attend sporting events to ensure transference of skills into a game situation.</p> <p>Book new P.E lead on training course new to PE subject leadership in autumn term.</p> <p>PE subject lead to research and attend relevant courses and CPD opportunities or signpost to other staff.</p> <p>Purchase PE Planning SoW to continue from previous year. Create LTP with associated milestones for assessment. Monitor the impact and review as required.</p> <p>Audit of current equipment and staff surveyed as to equipment they would like and feel confident with.</p>	<p>£2960</p> <p>£800</p> <p>£600</p> <p>£700</p> <p>£500</p>
